EU VOC Limit Value:	(cat. A/a): 30g/l (2010). Contains max. 1g/l VOC

This declaration applies to the colour white. The figures may vary for other colours.

DETAILS

Application:

Surfaces must be clean, dry, smooth and not transmit any loose particles. Untreated plaster, concrete and common construction boards must be primed before painting. Previously painted surfaces should be washed and degreased before painting. For best results, apply 1-2 coats of primer before applying 2 coats of paint. Stir the paint thoroughly before use. Drying time: approximately 6 hours at 23°C and 50% RH. Please follow full application instructions available at stleointeriors.com.

Coverage:

Approximately 6–8 M2 / Litre.

Storage & Waste:

Always store in original packaging. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Storage temperature: Frost free. All paint residues and containers must be deposited at your local waste collection point.
